

Flux Design Products GmbH is a German company established in the middle of the wine road, in the suburbs of Mannheim, which specializes in the development, production and sales of innovative and easy-to-use products. The main product is the I-CLIP ([www.i-clip.com](http://www.i-clip.com)), a small, light and fashion wallet, which looks awesome in a hand and comfortable in a pocket. I-CLIP is developing very fast all-around the world and is always looking for motivated people to boost its success.

As we want to strengthen the development of the product online, we are currently looking for

## **Webshop & Social Media Administrator (m/f)**

### **Your responsibility:**

- You deal with customer-relationship
- You manage the orders
- You animate our presence on social media
- You analyze your local market and keep updated with trends
- You help to develop our internal tools
- You are the reference person for your department

### **Your qualifications:**

- You are at a native speaker level in at least one of these languages: French, English, Spanish, Dutch, Swedish (a good level in English is also required and German is appreciated)
- You have a degree in economics, business administration or finished a business related training
- You have experience in customer-relationship
- You are at ease with social media (Facebook, Instagram, Twitter...)
- You have strong communication skills and enjoy dealing with people
- You are team-minded, dynamic and innovative

### **Our offers/Work environment:**

- 8h/day, 25 days of holidays
- Participation to some trade fairs (2 - 3 per year)
- Family-type company (50 co-workers)
- International team
- Nice view on vineyards, a daily travel outside cities
- Free fruits and drinks

Are you ready for the challenge? So we are looking forward to your informative application documents including cover letter and curriculum vitae.

Please send your application documents including your salary requirement and the earliest possible starting date to: [jobs@i-clip.com](mailto:jobs@i-clip.com)
